Eric,

I could make Mon afternoon 9/21 work, but Fri morning 9/25 works better for me.

Jim

Subject: Tentative Meeting Date for PH ARARs Discussion

At the end of yesterday's RAO meeting, we discussed having a follow-up meeting the week of September 21st to discuss ARARs with essentially the same attendees. The LWG has offered up either Monday, September 21st or Friday September 25th for the meeting. They have proposed that the meeting take place in Portland. Looking at our schedules, Monday afternoon between 1:00 and 4:00 PM looks best. Please let me know if this date and time works or if another time on Monday or Friday would be preferable.

Thanks, Eric
